

Wee Know School

A Nationally Accredited 5 Star Center

It has sure has been a crazy winter in Wisconsin! As we enter a new month, we'll see if March comes roaring in like a lion, or gently like a lamb. Our classes will begin the month celebrating the ever popular author, Dr. Seuss. The Bluebird and Owl 4K classes will visit the Charles Horowitz Planetarium in Waukesha, an all school magic show will entertain all the children, and we'll be keeping watch for those sneaky leprechauns around St. Patrick's Day. Buckle up, and keep your calendar handy as we head in to another fun-filled month at Wee Know!

REGISTRATION

We continue to enroll for Camp Lotta-Fun and Fall 2017-18. All families must register to be assured a spot in these sessions. We fill classes on a first come, first served basis. Remember that we offer a school-age program for older siblings in the summer, and collaborate with the Kettle Moraine district for 4K in the fall.

DR. SEUSS LITERACY PRESENTATION

Volunteers from the Literacy Council of Greater Waukesha will visit our school on Thursday, March 2nd. They will bring along some favorite Dr. Seuss' books- don't forget to wear your mismatched outfit today!

BOOK ORDERS

Orders are due Thursday, March 9th. Please make one check payable to "Wee Know" for your entire order.

CHICKADEE NEWS

From Mrs. Meyer & Mrs. Semler

February was a very active month in our room. The Valentine holiday provided many fun and creative opportunities for the children. Our discussions focused on friends and how to be a good friend. Art and fine motor activities produced classroom decorations, valentine bags, cards for parents and royal heart crowns. Pre-math skills focused on counting hearts, graphing colors of red, purple, and pink. Pajama days proved to be the highlight of Valentine Fun Week. What fun we all had coming to school in our pajamas and eating yummy breakfast foods. Many performances of "Five Little Monkeys Jumping on the Bed" were staged by the Chickadee actors both days.

Chickadee Name Recognition

We continue to work on name recognition at transition and snack times. We are so proud of the Chickadees; they are doing great recognizing their own names as well as their friend's names!

March Concepts

Shape: diamond

Colors: yellow + blue=green

Numbers: 7 & 8

Letters: Q, R, S, T

We will begin the month of March by celebrating Dr. Seuss' birthday. We will practice rhyming, create crazy hats and cook our own green eggs and ham. Then we will learn about rainbows. We might even have sneaky leprechauns visit our room!

Feb 27-March 3: Happy Birthday Dr. Seuss...

In honor of Dr. Seuss' March 2nd birthday, the Chickadees will explore literacy through the wonderful world of his many books. Remember to wear your wackiest mis-matched outfit on **Thursday, March 2nd**.

March 6-17: The Wonder of Rainbows

The Chickadees will learn how to sequence the colors of the rainbow by painting and gluing noodles using all the colors of the rainbow. We will talk about how colors can make us feel different emotions.

March 20-31: Welcome Spring!

Rain showers, sunny days and the world waking up will inspire our artists these weeks. We will read Planting a Rainbow by Lois Elhert and create our own rainbow garden!

Chickadee 2017
