

WEE KNOW SCHOOL

As our school year enters its final month, we thank you for choosing Wee Know for your child’s early childhood education experience. We greatly appreciate you taking the time to volunteer for field trips, provide classroom snacks, and participate in special classroom activities. Our teachers are very dedicated to making sure each child leaves Wee Know confident and prepared to succeed as they move on to kindergarten and beyond.

Please read your May classroom newsletter for info on activities, dates and times of field trips and “End of Year Celebrations”. We look forward to seeing many of you this summer and fall! To those families moving on to new experiences, we wish you the best!

FUNDRAISER PROJECT UPDATE

This month we are creating an “Outdoor Classroom”. Our new area will provide the children with various “natural” components giving them the freedom to build, improve gross motor skills, and create their own settings for imaginary play. Tree cookies, large stumps, and “Outlast” interconnecting blocks are included in our plans, as well as

Annual Fundraiser and Career Day Book Night Proceeds

are making this possible-THANK YOU EVERYONE! NOTE: If any families looking to sell or donate Little Tykes houses, play kitchen sets, chairs, etc., let our office know. We are interested in replacing some of our older items.

CAMP LOTTA-FUN & FALL 2017-18

Children registered for Camp Lotta-Fun will receive information in mid-May regarding class assignment, summer news, activities and policies. If you’re not registered yet, we have registration forms available in our office. Come join the fun!

Are you undecided on your fall plans? We have a number of options available to meet your family’s needs. Remember, children must be 2 ½ by Sept. 1st to begin in September, however, they do not need to be toilet trained. Also this fall, we will again collaborate with the Kettle Moraine School District for 4K as well as offer a private pay 4K program for interested families.

CHICKADEE NEWS

from Mrs. Meyer & Mrs. Semler

This is it, the final newsletter of the school year! It may be hard to believe that your child’s first year of preschool is coming to a close. We have enjoyed the partnerships that have developed between our families and teachers. Your support throughout the year has made your child’s journey a success in the Chickadee room. Many thanks for your donations, volunteering your time and most importantly, sharing your child with us!

MAY CONCEPTS

Shape: review **Color:** review **Numbers:** review **Letters:** W, X, Y & Z

We will finish our unit of animals with which ones can be pets. If anyone is interested in bringing their pet for show n’ tell please talk to a teacher. Transportation with vehicles that are used on the land, air and water will be our topics for the next couple weeks. We will take a look at all sorts of transportation on land. We will learn about cars, trains, motorcycles and monorails. Then we will explore ways to get about on water and in the air. Boats and planes will be a big focus.

The children will finish up work on Mother’s Day cards & gifts; review alphabet letters, numbers, shapes and colors. The week of May 29-June 2, to celebrate the end of the school year we will have a farewell party complete with balloons, streamers, games & cupcakes! Our final task is to help the children transition to their summer routines & send them on their way to new journeys. Phew, what a finish!
