Children living in other school districts may also attend our 4K program if parents choose to privately pay the tuition. Private pay families can choose a 2-5 day per week 4K program with extended care available before & after.

**CHICKADEE NEWS**

From Mrs. Meyer & Mrs. Semler

At the time of this writing, the Chickadees are amidst the hustle and bustle of the holiday season. It's hard to imagine that another year has come and gone! We hope your holidays were filled with wonderful times and memories. We give special thanks to our families for your support during the past weeks and months helping in the classroom and generously donating toward activities. The genuine interest shown by our families in your child's school life is most appreciated by our teaching staff.

We kicked off the month of December with Jingles with Miss Janet. The Chickadees loved our theme about gingerbread men. We read several variations of the classic story. We graphed what is on top of each child's Christmas tree and discussed what we already knew about the jolly old elf himself! We decorated the classroom, sang Christmas carols, and worked on a special gift for our loved ones!

JANUARY THEMES & CONCEPTS

The Chickadees will ease back into the groove of school after our holiday break and focus on snowmen, snowflakes, and snow gear! We are excited to bring snow into our sensory table and do science experiments with melting snow!

JANUARY FIELD TRIP

The Chickadee class will go on a field trip to Midwest Twisters in Hartland later this month. We will travel by school bus. All children and parent chaperones are welcome to attend. A permission slip with details will be placed in cubbies once our date is confirmed.

WINTER GEAR

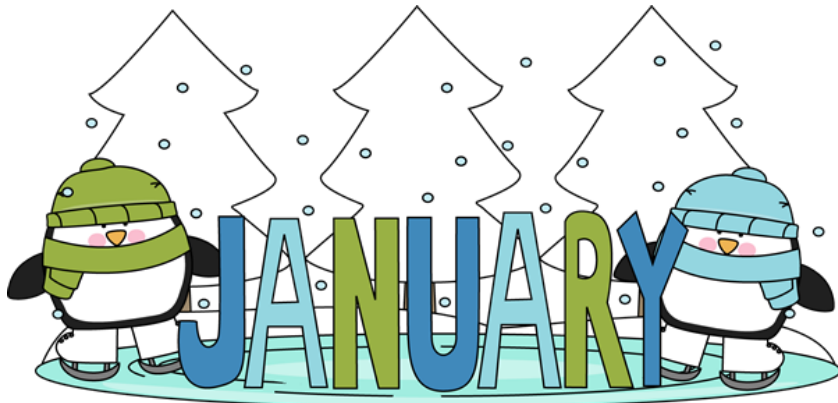

We will attempt to go outside twice a week when the temperature/wind chill is 20 degrees or above and conditions are not too wet or icy. Due to the Chickadees young age and the time consuming process of gearing up to head outside we do not go outside as frequently as the older classrooms.

- **Winter jackets, snow pants, boots, hats and mittens are needed.**
- Look for wet hats on the red post and mittens on the hanging drying rack by the boot shelf.
- Work with your child on dressing independently at home.
- **LABEL EVERYTHING WITH YOUR CHILD'S NAME! Label both mittens and both boots.**

VOLUNTEERS WELCOME

The Chickadee classroom welcomes any volunteers (parents, grandparents, special friends & relatives). Come and read a favorite story, share an interest, cook with the class or just visit for a morning. You will be received with lots of hugs and admiration! Talk with a teacher if interested.
