## CARDINAL NEWS

from Mrs. Carr, Mr. Peter & Ms. Anne

It's hard to believe we are planning for the last month of school already. April flew by as we enjoyed the outdoors and so many fun activities. We celebrated "Week of the Young Child" with daily activities including making our very own fruit pizza for snack. The last two weeks of April we spent learning about insects and about different types of superheroes in our lives and what makes them a hero...plus we got to dress up as one too! If your child has a summer birthday, we will be celebrating them this month so that all our Cardinals can have their special day with their classmates. Thank you, Cardinal families, for entrusting us with your little ones. We had a delightful year together and have enjoyed seeing each one of your children grow and develop. It is so hard to say goodbye as we finish up this school year. We hope your family has a wonderful summer full of fun and laughter!

We will also discuss being a paleontologist and enjoy our very own dinosaur bone dig! Field trip to We Rock the Spectrum on Tuesday this week.

#### At the Beach

This week we will be dreaming about all things at the beach from sandcastles to animal life to seashells we will create our very own beach.
