HUMMINGBIRD NEWS

From Mrs. Lynn-Murphy & Mrs. Friend

December was such a magical month of busyness and whimsy! Mornings were filled with talks about the jolly old elf, decorating trees and the wonder of Christmas. We hope everyone enjoyed some special family time over the holidays!

We introduced a new song "Christmas Chicka Boom" and jingled bells to our hearts content. We finished the month with our "Christmas Jammie Day" filled with cookies, cocoa and friends!

JANUARY THEMES & CONCEPTS

Shape: rectangle

Color: blue & white

Numbers: 7 & 8

Letters: I, J, K & L

We will ease back into a school routine and focus on snowflakes, how to build a snowperson and how to put on all that snow gear! The process of building a snowman focuses on the concept of biggest to smallest, and we will also become scientists as we hypothesize and observe what happens when snow people get warm. The song, "I'm a Little Snowman" will be a great introduction! As the month treks on hopefully we will have snow, but if not, we will still be bundling up to play outside. Our topic of snow gear not only focuses on the correct order of how to put each item on, but we will also discuss the concept of pairs. This is a great way to introduce matching. A Hat for Minerva Louise is a silly story about a goose looking for the perfect hat that will get the Hummingbirds giggling!

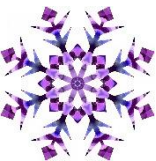

WINTER GEAR

We will attempt to go outside when the temperature permits, and conditions are not too wet or icy. Due to the Hummingbirds young age and the time-consuming process of gearing up to head outside, we will try to post on Facebook to send your child dressed when the weather is appropriate for outside play.

- Winter jackets, snow pants, boots, hats and mittens are needed.
- Work with your child on dressing independently at home.
- **LABEL EVERYTHING WITH YOUR CHILD’S NAME!** Label both mittens, both boots and hat. Send a separate labeled bag to send wet snow gear home.
